

CHAMPAGNE

La Clé de la Femme

BRUT

Pinot noir,
Chardonnay.

Clay-Limestone.

The grape varieties give the wine its subtle pink color, and the tangy notes of redcurrant and raspberry energize the delicate mineral expression, saline and iodized, of Chardonnay.

It reveals the red fruits (strawberries, raspberries) in a complex way while retaining a nice freshness. A perfect blend of style and character, it leaves a very pleasant impression of harmony.

Between 8°C and 10°C.
